More About the Election Contest

According to a statement made by A. J. Russell and his attorney, G. J. Crump, in canvassing the returns to make the official count of the votes cast in the recent election, it was found that the certificates of the judges in eight of the precincts as to the vote on the office of Circuit Clerk had been changed from what had been reported.

In South Carrollton precinct, by erasure on the tally sheet, five votes had been taken from Russell and added to McLoud.

In Osage township, three votes had been erased from Russell and six added to that of McLoud.

In Dry Fork township, five votes had been erased from Russell and one added to the vote of McLoud.

In Omega township, eight votes were taken from Russell and eight added to the vote of McLoud.

In Liberty township, ten votes were erased from Russell and ten votes added to that of McLoud.

In Second Prairie (Berryville) precinct, ten votes had been erased from Russell and seven added to the vote of McLoud.

In the First Ward in Eureka Springs, five votes had been taken from Russell and ten added to the vote of McLoud.

On the face of the returns, Russell had a majority of fifty votes, but by this manipulation of the

figures, a majority of sixty-four was shown for McLoud.

The work of changing the returns, for the most part, was very crude, the erasures being so plain as to be self-evident. The only skill displayed was on the changes in the First Ward of Eureka Springs. The vote in this ward stood ninety-five to twenty-five in favor of McLoud. The changes made it read 105 for McLoud to twenty for Russell. The work in making the change had been so perfectly executed as to be almost beyond detection. The official count will show the vote as it stands after the change was made.

The evidence of fraud was so plain to the commissioners that when other tangible proof was presented as to the correct vote it was admitted and the report of sheets that had been tampered with was ignored.

The changes, however, entered into the matter to the extent that Russell's majority was reduced to nineteen votes.

A certificate of election has been duly issued to Russell.

In Memoriam

DIED—At the family residence in this city, at 12 m., September 13, R. M. Thornton; aged 47 years.

Deceased was a son of O. D. Thornton, now of Berryville. He was born in Springfield, Mo., August 5, 1859, and grew to young manhood in that city. With his father he moved to Northwest Arkansas and there married his first wife. Of this union three children were born, only one daughter surviving—Mrs. Hattie Jones, of Kansas City, who was at her father's bedside for about ten days.

Fifteen years ago last May he was married to Miss Callie Gates, who survives him. Two children were born to this couple, the elder, Carmen, being nearly eight years old. The baby, born just five years ago yesterday, died in infancy. He also leaves four brothers and a sister.

Mr. Thornton was one of the early settlers of Eureka Springs, coming here in 1879, when the curative properties of the now famous springs were unknown to the world. He and his father built the first storeroom in the city, near the present junction of Main and Spring streets. It required a dozen men to move the wagon containing their goods 100 yards up the wilderness of Main street. From that time up to two years ago, Mr. Thornton was one of the leading business men of our resort. He was a shrewd buyer and successful in every undertaking.

Owing to his failing health, he practically retired from active business life several years ago, and spent the greater part of his time traveling.

Mr. Thornton was a great home man, being extremely fond of his family. To his daughters he was a tender, sympathetic friend and companion. To his faithful wife he was a kind, considerate companion, always preferring her companionship to anything society had to offer.

He was hopeful of regaining health until the last few hours of his life, when he told his loved ones he was not afraid to die. He told his friends that he had been a changed man since his stay in San Antonio last winter.

In the death of Monroe Thornton, Eureka Springs has lost one of her best citizens—a friend to the schools and to every other public enterprise.

The bereaved family have the tenderest sympathy of our entire citizenship.

The funeral occurred from the deceased's late residence—the Grand Central Hotel—this afternoon. Rev. Church, of Kansas City, pastor of Mrs. Jones, and Rev. J. E. Denham, officiating. The Odd Fellows and Redmen Lodges attended in a body and took charge of the last rites at the cemetery.

Many beautiful floral offerings were made by friends.

Stop it! A neglected cough or cold may lead to serious bronchial or lung troubles. Don't take chances when Foley's Honey and Tar affords perfect security from serious effects of a cold. All Dealers.

Family in Danger of Assassination

Muskogee, I. T., Sept. 12.—Sensational incidents are developing in the murder case of Cicero Davis, the wealthy cattleman who was killed by assassins at Warner last night.

Mack Alford, D. King and Bob Roberts were arrested this morning at Mack Alford's house as suspects of the crime.

This afternoon a special train was ordered out on the Midland Valley to convey Mrs. Davis and her children from their ranch at Warner to Fort Smith, as it was feared that they would be killed.

Developments show that the assassination was the result of an old feud that is now more bitter than ever.

Davis was a cattleman and has had many encounters with people in that country. Mack Alford, it is claimed, charges that Davis had hired several persons killed. When J. M. Spivey was killed in that neighborhood some time ago, Mack Alford, D. King and Roberts were supposed to have known who the perpetrators were. Mack Alford turned state's evidence against Bob Davis, brother of the murdered man, and in his testimony he stated that Roberts also knew about it. Mack Alford claims that Cicero Davis had planned to kill him. It was chiefly on this ground that the three men were arrested.

It was found that three men had been around the body of Davis where it fell, their tracks showing this. Davis was shot with a shot gun and twice with a Winchester. In Mack Alford's house were a Winchester and a shot gun of corresponding calibre.

The bitterness that has been engendered in that neighborhood caused the people to fear for the safety of Mrs. Davis and the children and a special train was ordered out of Muskogee to take them to Fort Smith.

The Glenwood is convenient to the Basin and to the business section, and is a pleasant place to stop.

Clean Up

The Times Echo has started, and intends to continue its crusade against unsightliness and the present laxity displayed in some quarters as to the observance of proper sanitary conditions.

As a rule we are showing a pretty good front and we are as proud of this as is any one, and wish to observe that the past few years are record breakers in substantial improvements in every way. But there are many chances yet for improvement and it is only by everlastingly keeping at it that we will approach the perfection which will make and maintain our reputation for being the cleanest as well as the most beautiful of health resorts.

And no matter how well our front yards may appear and how well the streets most frequented are kept, we may not hide from visitors the fact that side streets and alleys are allowed to be encumbered by trash and filth.

This should not be left to the health and peace officers to attend to, but should be made a matter of individual pride.

If we are not able to afford the luxurious, we may at least be decent.

The man with the well scrubbed face and white, glossy shirt front is not decent if his body be filthy, and so with the showy glass, paint and front lawns, if there be accumulations of tin cans, old Kan waste paper, and seepage water in the rear.

There being no public provision made as to the carrying away of old papers, ashes and other litter, we would suggest that the merchants and other business men in the business sections of the city combine to have some one employed at their collective expense to dispose of the accumulations of such matter periodically, each providing some kind of receptacle for same during the time elapsing between the days of collection. Residents should also pursue a similar plan.

The burning of rubbish anywhere within the city limits should be strictly prohibited, as being dangerous in the first place and very offensive to the visiting public.

We will be right in line with these suggestions and do our part. Are you with us?

Gen. Robert E. Lee was the greatest general the world has ever known. Ballard's Snow Liniment is the greatest liniment. Quickly cures all pain. It is within the reach of all. T. H. Pointer, Hemstead, Tex., writes: "This is to certify that Ballard's Snow Liniment has been used in my household for years and has been found to be an excellent Liniment for Rheumatic pain. I am never without it."

Mrs. H. H. Osborn, for many years a resident of Eureka Springs, is here from Hanford, Cal., for a week's visit with friends, being at present a guest of Mr. and Mrs. Parker. Mrs. Osborn has been at Carthage for a month, visiting her son, Arthur H. Osborn. The family is prospering in the West.

Peruna Drug Mfg. Co. Dear Sirs:—A short time ago I found my condition very serious. I had headache, pains in the back, and frequent dizzy spells which grew worse every month. I tried two remedies before Peruna, and was discouraged when I took the first dose, but my courage soon returned. In less than two months my health was restored.

—Mrs. M. Brickner. The reason for so many failures to cure cases similar to the above is the fact that diseases peculiar to the pelvic organs are not common.

AS CATARRH. recognized as being caused by catarrh. Catarrh of one organ is exactly the same as catarrh of any other organ. What will relieve catarrh of the head will also relieve catarrh of the pelvic organs. Peruna relieves these cases simply because it relieves catarrh.

For Over Sixty Years

Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

If It's a Reputation you are after, White's Cream Vermifuge has a world wide reputation as the best of all worm destroyers, and for its tonic influence on weak and unthrifty children. The Size of the Weekly Times

For the next week or two the Times is going to be very busy with the installation of new machinery, and during this period the size of the paper has been reduced to its present proportions, but this will in no way diminish the amount of news contained in its columns...

Mena is determined not to be sidetracked by the Kansas City Southern road, and really doesn't expect it. It has been reported that the road, in seeking a straighter through route, would leave Mena off its map...

This is the between-seasons-time in this city, although many of the summer season visitors are remaining for a more extended visit, and winter visitors are commencing to arrive.

Little's Plurality the Greatest Yet

Complete official returns from all of the seventy-five counties in the State show that Judge Little, the Democratic candidate for governor, received 105,553 votes, the largest vote ever polled for a gubernatorial candidate in the state of Arkansas.

Judge Little's majority over all the candidates will be about 57,927 votes. Judge Little's plurality over Worthington is exactly 63,714 votes, fully three thousand more votes than was predicted for him.

Mrs. Luck, of Clifty, is in the city on business.

Recently Married

There arrived at the Basin Park Hotel today a newly married couple whose friends did not propose to have their identity lost. Neither was there to be an excuse for their baggage going astray. Securely tacked to the trunk belonging to the bride and groom was a placard stating that the property belonged to Mr. and Mrs. Chas. Mansfield, formerly of Monett, Mo., but now of the State of Marrimony, and soliciting all parties with whom they might come in contact to treat the young couple with due consideration.

New \$15,000 Court House

The plans are now made, and as we understand, are approved, for a new and good building for this district, in this city. The plans are completed except for the minor details of the foundation, for which special survey had to be made.

The structure is to be two stories above the street.

The building includes a basement story also, really making it three stories, although this portion of the building will have a floor about six feet below the street, approached from the front by stairs leading down this distance.

The building will have a frontage on South Main street of 73 feet and will be 48 feet deep. It is to be constructed of pressed brick and trimmed with White River stone, and will have a tower in the center frontage, one and one half stories high. The roof is to be of Gothic type. Vaults will be built in the basement and main floor portions.

The main floor will be devoted to county officers, with wide hallways and stair cases.

The second floor will be divided into court, jury and judge's rooms.

The basement will be given over to the city fathers and such other purposes and offices as come within the needs of the municipality.

We are very favorably impressed by a view of the plans, and would judge that if they are fully carried out, the building will a credit to the entire district and that Eureka Springs may be proud of its location here.

A Lesson in Health

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. All dealers.

Cured Hay Fever and Summer Cold

A. J. Nusbaum, Bates, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar in the yellow package, and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success. All dealers.

Mrs. Belle Bell, housekeeper for Mrs. R. M. Thornton and who helped nurse Mr. Thornton through his long illness, has gone to Berryville to help care for Mr. Thornton's sister, Mrs. Flora Jeffries, who is very near death's door.

Of Interest to Many

Foley's Kidney Cure will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. No medicine can do more. All dealers.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

ECZEMA AFFLICTS WHOLE FAMILY

Father and Five Children Suffered for Two Years With Terrible Eczema—Home Remedies and Medicines Gave No Relief—Mother Expresses Joy at

WONDERFUL CURE BY CUTICURA REMEDIES

"My husband and five children were all afflicted with eczema. They had it two years. We used all the home remedies we could hear of, without any relief, and then went to a physician and got medicine two different times, and it got worse. It affected us all over except head and hands. We saw Cuticura Remedies advertised and concluded to try them. So I sent for \$1.00 worth, consisting of one cake of Cuticura Soap, one box of Ointment, and one vial of Pills, and we commenced to use them. I do not know how to express my joy in finding a cure, for two of my children were so bad that they have the brown scars on their bodies where they were sore. If it will be of any benefit to you, you can publish my letter with pleasure. Yours truly, Mrs. Maggie B. Hill, Stevens, Mason Co., W. Va., June 12, 1905."

G. K. Lecompte and wife, of Kentucky, after a stay of nearly twelve months at our resort, left last evening for Falmouth, thence to their home near Eminence, Ky. But few visitors to the Springs have so blessed us socially and their stay has been a benediction to all. Mr. Lecompte's health made much improvement and we regret their departure. They bear away with them the affections of a host of friends at Eureka Springs.

The board of equalization adjourned last evening to meet again tomorrow. This was rendered necessary by the enforced attendance of one of the members at the session of the election commissioners at Berryville today.

The Finest Nugget in Camp

The last plug of "Star" is worth its weight in gold. Other chews can't take its place—other kinds don't satisfy. "Star" is the chew that's in demand because for forty years

STAR

PLUG CHEWING TOBACCO

has been highest quality, honest value—(full 16 oz. to the plug) and standard price.

The rich, sweet, waxy, full-bodied leaf in "Star" makes a substantial and lasting chew.

No other chew equals it. That's why "Star" is still, as always, the standard chew.

A pig with two heads, six legs and two tails was one of the curiosities on Main street this week. It didn't live.

Mrs. Hall and niece, Miss Willie Lee, leave this afternoon for two weeks' visit in St. Louis with relatives. Mrs. Hall has three nieces in St. Louis.

Fred Cadwell got back today from a fishing trip on King's river, at W. C. Anderson's place. He had a delightful time and caught some fish.

Frank Carroll has finished the work on the assessment books of the county and has turned them over to the county clerk. Frank has worked so hard and diligently that we fear he is at least two weeks behind in his fishing. When he is on duty as sheriff he will soon be able to make this time up, we hope.

Capt. Hawley had a few pears from his beautiful little orchard laid away for his family's own use, and today he weighed 33 of these, the combined weight being 29 1/2 pounds. This was not selected fruit, but was simply gathered at random and laid aside to ripen. Some of the bunch weighed 22 and 24 ounces each. The captain has proven that every home in Eureka Springs may have fruit right at the door just as fine as any California boasts of.

Mrs. Charles Perkins is planning for an extended visit to her sister in Alabama in the near future.

Miss Lillian Hines will not continue with the Flashlight, but will enter the Normal College Monday.

Sam McClurgin was fined \$5.00 and costs in the police court today, on a charge of drunk and disorderly.

Joe Tate and wife have just returned home from a visit to their farm. Mr. Tate reports an extra large corn crop.

Col. and Mrs. G. J. Crump arrived yesterday for a few days visit in the city. Mr. Crump's business interests bring him quite often to our city.

Mrs. Sallie Mills, of Springdale, is here seeking health, and is at the Sisters of Mercy Hospital. She has recently undergone surgical operations, at Kansas City, and hasn't yet regained her strength.

Mr. and Mrs. Jas. Shuman returned this morning from Chicago, where they have been for the past week buying machinery for their new laundry, which they intend to open in another month.

A marriage license was issued yesterday to Geo. W. Boley, of Rogers, Ark., to be married to Miss Maude Stites, of this city. The groom is a young man only twenty years of age, and the bride only sixteen.

From Saturday's Daily

Miss Lucie Clark will reopen her conservatory of music next Monday, after a month's vacation.

Several out of town people, from different sections of the county, attended the funeral of R. M. Thornton yesterday.

Miss Vestel Bailey has resigned her position with Mrs. Sawdon, to take effect tonight, and will continue her course at the High School.

Miss Estelle Lowry, who has been entertaining the guests of the Crescent for ten days, left on the early train for Little Rock, where she will visit a sister.

W. B. Duncan, proprietor of the Star Hotel at Green Forest, spent today in Eureka Springs and was the guest at dinner of Misses Etta Hancock and Jennie Aiken. He was en route home from a Kansas trip.

Dr. J. Fred Bolton got home last night from a fishing trip on White river. He was in camp with the Moores, and since "the proof of the pudding is the eating thereof," we are prepared to say they caught some fine fish out there.

A party of horseback riders got into a yellow jackets nest yesterday, and there was sure something doing for a time afterwards. The saddlers got unruly, and the young people became frightened, and there was all sorts of excitement.

Miss Ethel Dickens arrived last night from Coweta, I. T., and will board with Mrs. M. E. Hines while attending school during the winter. She will complete the High School course this coming term.

Miss Lucie Clark returned today from a very pleasant little visit of several days with Mrs. D. F. Fithian at Brookline. The quiet of the latter's country home was just what Miss Lucie needed after a season's confinement in her conservatory.

Right Paint at the Start

Pure White Lead and Pure Linseed Oil should always be used for the first or priming coat. No other paint has the same affinity for the surface—hardening and becoming a part of the wood. Yellow ochre, barytes, zinc or any other substance than Pure White Lead fails to unite with the wood and serves only to form a cushion, which will prevent even Pure White Lead from attaching itself when finally applied. Satisfactory results can never be obtained so long as a surface is coated with a veneering (for that is all it is) of yellow ochre, barytes, zinc, etc. Such a coating is bound to crumble, crack and peel, and must be scraped or scraped off, down to the wood itself, before a good job can be done—an expensive process, and not without danger of fire. A house owner can scarcely make a more costly mistake than to use a substitute for Pure White Lead in the priming coat. Avoid all risk by using

Mr. G. W. Wilson, from near the standpipe, brought to our office today six ears of selected pure white corn. The six ears weighed collectively 81-2 lbs. The heaviest, which may be seen in The Times Echo office, weighs 1 lb. 9 ounces.

The board of equalization has concluded its labors, and without serious changes from the assessor's lists is prepared to submit its reports to the county court. Between \$20,000 and \$30,000 on improvements now under way, has come up for their consideration.

Von Williams was in Fayetteville yesterday, on a business trip. He is to have a stand at the Fayetteville fair, and will make candy while you wait. Von certainly possesses the "know-how," when it comes to making confections. It's your treat, Von.

Miss Belle Willis got home this morning from Springdale, where she has been the guest of Miss Jess Lewis, who in turn will be entertained by Miss Belle the latter part of this week. The young ladies went over to Fayetteville yesterday from Springdale.

We understand that a Macabees Lodge is to be organized here this week. Mrs. W. H. Platt has been instrumental in securing a sufficient number of charter members for the organization of this secret order, so popular with the women everywhere.

Last evening 35 of the friends of John Weaver gathered at the home of W. C. Anderson, near this city, and in a body "stormed" Mr. Weaver's home in order to help celebrate his 29th birthday. Mrs. Weaver planned the affair and was ready for the crowd, but her husband was completely surprised, so well had his good wife kept her secret. But he quickly recovered his presence of mind after the first shock, and made all welcome. Ice cream and cake were served. Mr. Weaver had been sent off from home early in the day, so that preparations could be made for the expected guests.

From Tuesday's Daily

J. W. Edwards and wife leave today or tomorrow for a visit with their children in Nebraska, one of whom they have not seen in twelve years.

E. J. Hollis and wife, of Fredonia, Kan., are here visiting friends and relatives. Mrs. Hollis is a half sister of Mrs. J. W. Edwards and she also has a step-daughter, Mrs. Smith, living here.

Mrs. Lizzie Gunter, the wife of W. S. Gunter, died today as the result of cancer. The deceased came to Eureka Springs two years ago or thereabouts, suffering from that dread disease, and about nine months ago was operated upon, but without success. At time of going to press the funeral arrangements have not been made.

With congenial spirits and love for each other, Mr. and Mrs. Robt. Sharon have had a happy home during their two years of wedded life, but today a joy hitherto unknown has come into that home, caused by the arrival of a dear baby daughter—God's sweetest gift to mortal man. Mr. Sharon is hastening to Eureka Springs from Chicago to greet the little stranger who appeared at the home of her grandparents, Dr. and Mrs. J. D. Jordan, at 7 o'clock this morning. That little Virginia Louise may ever be a joy and comfort to her parents is our wish.

From Wednesday's Daily

Mrs. Lou Thomas returned to this city after a year's absence in Webb City, Mo. She is fitting up the store room opposite the Palace Bath House as a notion store.

Attorney F. O. Butt, of the firm of Butt & Pace of this city, leaves today for Ozark, in Franklin Co., where he goes to represent a client suing for personal damages against the Iron Mountain Company.

W. C. Anderson is in receipt of a copy of the 25th anniversary edition of the Pattonsburg (Mo.) Call—his old home paper. Mr. Anderson was one of the first subscribers to this paper at its beginning a quarter of a century ago, and he was the first business man to place an advertisement in its columns.

Mr. S. E. Hays had a letter from his son Silas, now in Alaska, a day or two ago. Silas states that all is well with him and the company with whom he is working. He does not at this time know whether he will be at home again this fall. The prospects are that they will stay in Alaska this winter.

W. R. Nichols, for over 26 years a resident and well respected citizen and business man of Eureka Springs, died today from a complication of diseases resultant from bladder trouble, with which he had been a sufferer for years before coming here. He had been suffering considerably at times during the past month, but had not been in a critical condition until Sunday last, since which time he had become worse. The end has come quite suddenly for his friends.
