

About This List:

From the *Eureka Springs Times*, dated 1914-01-05

This is a list of Eureka Springs residents who signed a petition addressed to the Carroll County Court in Arkansas, stating:

"We, the undersigned, state that we are adult white inhabitants living within the incorporated limits of the City of Eureka Springs, in the County of Carroll and the State of Arkansas, and do hereby ask and petition that County court of said County, the license for the sale of intoxicating liquors of all kinds (including alcoholic malt, vinous and spiritous liquors of all kinds, and all compound and preparations thereof) be issued for said City of Eureka Springs to F.M. Hancock, Fred C. Cook, J.W. Adams & Co., and J.Q. Branham."

While this list does not include all residents of ES, such as those espousing temperance, it does provide addresses, streets, or hotel locations for nearly 1000 individuals living within city limits.
